

**HEALING. LIFE-CHANGE. RECOVERY**  
**Bringing new hope, healing and the opportunity**  
**for life change to those who seek freedom.**

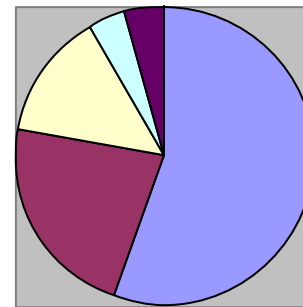

*Dear Life Changer,*

The Board and Staff of **Recovery For Life** would like to share this report of what your 2010 investments have done to help change lives. This year has been filled with struggles as well as great blessings. There's nothing like a little dichotomy to keep you on your toes!

*Did you know Recovery for Life provided . . .*

- 10,000 hours of service at the Kempsville Life Recovery Center
- 2,500 hours for People in Need (Homeless)
- 2,000 hours at Tabernacle Church on Tuesdays
- 1,250 hours at Kempsville Life Center on Thursdays
- 250 hours at First Baptist Norfolk on Tuesdays
- 250 hours at Rosemont on Wednesdays
- 250 hours at Chesapeake Community Church on Thursdays
- 72 hours at S. Norfolk Baptist on Thursdays
- 16,572 total service hours in 2010 to the community**

*Did you know Transitions : Homes for Hope. . .*

Our first "Home for Hope" has been stripped down. The termite damage has been repaired, and it is ready for the next phase of development. Our plan is to open it up after the first of the year. We just need the roof, siding and well pump to go!

*Did you know we . . .*

- Trained over 20 new leaders in 2010 to serve in various communities
  - Served over 5,000 hot meals on Tuesday nights to those who attend the meetings
  - Provided over 750 hours of counseling, much of it donated or reduced cost
  - Mentored more than 30 people with the "Getting it Right" program
  - Gave over 750 hours of Bible Study with our men's outreach
- Led more than 20 people to Christ!**

The picture above is of our most recent training class. 14 people, who started at the ground level with us, are now leaders in our programs! That's Healing, Life-Change and Recovery! The finances it takes to serve these people all comes from generous people like YOU! Would you make a pledge to continue your support over the next year so we can establish our budget and continue to help free children, teens and young adults from the grips of addiction?
